Crepe Myrtle.....	<i>Lagerstroemia indica</i>
Bush Lantana	<i>Lantana camara</i>
Pomegranate.....	<i>Punica granatum</i>
Indian Hawthorne.....	<i>Raphiolepis indica</i>
Asian Jasmine	<i>Trachelospermum asiaticum</i>
Star Jasmine	<i>Trachelospermum jasminoides</i>

*Note: Vine landscape maintenance is the primary responsibility of the resident. It is the resident's financial responsibility to repair any damages caused by unrestrained vine growth to the residential unit and/or to any unit that is affected.

This includes but is not limited to the following:

- * repairing, painting and patching exterior walls.
- * repairing, painting and patching roof tops.
- * replacing window screens.
- * plant replacement.

The Association provides generic landscape service in the front yard areas with the resident's understanding that limited capabilities exists with the provided hired landscape service in terms of height restrictions and basic landscape maintenance. Any growth above the hired service's ability to trim and/or remove, is and always the responsibility of the residential owner.

Revised 06/30/07
